Pre-Conference Interprofessional SP Workshop

Please join us for this [free](#) pre-conference workshop:

Monday, November 12th from 12:00 PM - 4:30 PM to explore:

'Getting Started with Simulation Enhanced Interprofessional Education'

'How to Modify Your Current Simulations to Include Simulated Participants'

and

"Hybrid Simulation - What is It and Why Should You be Considering It?"

Registration begins at 11:30 AM.

Lunch is included. Space is limited to 32 attendees, so please RSVP.

[RSVP Here](#)

*If you cannot attend, but are interested in hosting a similar workshop in your local area, please email solutions@avkin.com for the Workshop FAQ

**Note: This workshop is being offered by Avkin in conjunction with the 2018 SIM Expo. SIM one/CNSH is helping to coordinate and promote the workshop, but is not involved in its content development or delivery

The address of the workshop is:

Hotel Arts Calgary
Galleria Event Room
[1192 12 Ave. SW](#)
Calgary, AB T2R 0G8
