

Rules and Regulations

Admittance of Voting Members

Approved by the Board of Directors: 26 Apr 2017

- 1) Organizations shall apply for membership by filling out and submitting an Organizational Membership Application.
- 2) The Membership Committee of the Board shall decide on the admittance within one (1) month after having received the application. In the case of admittance as well as non-admittance the applicant is notified by the Committee as soon as possible.
- 3) In order to qualify for membership in the Corporation, an applicant must meet the following eligibility requirements:
 - a) Paid the Organizational Membership dues;
 - b) Be incorporated in Canada and have a fixed place of business in Canada;
 - c) Receive funding directly or indirectly from a provincial government and/or the federal government;
 - d) Be a college, university, hospital or other healthcare agency, or a faculty/school/department thereof, or a non-profit organization or association in the healthcare sector in Canada;
 - e) Be governed in accordance with a written constitution, general operating by-law or similar document; and
 - f) Use simulation to provide education services to any regulated or unregulated health professions/providers or to improve care quality or patient safety.
